

RELOCATION INCENTIVE POLICY

Purpose

Relocation incentives offer a one-time lump sum payment to an employee when it is in the interest of the University to provide an employment incentive to a current or prospective employee to move from one location to another. Payments provided under this policy are separate from and in addition to any payments that may be authorized for moving expenses. Full-time employees (75% effort or more) are eligible to be considered for this benefit.

Amount

Funds for relocation incentives are the responsibility of the employing department. The Dean or Department Head must approve payments up to \$5,000 with the concurrence of HRM. Payments over \$5,000 must also be approved by the appropriate Vice Chancellor.

In accordance with Internal Revenue Service regulations, all payments are taxable compensation subject to withholding and other appropriate deductions, and will be reported on the W-2 form as part of the employee's total compensation.

Agreement

Any employee who receives relocation incentive payments must sign a Relocation Agreement which stipulates that part or all of the advance payment will be returned if the employee does not continue employment with the University for the term of his/her contract OR for at least two (2) years (whichever is lesser).

Repayments

In the event that an employee who received the Relocation Incentive does not continue employment with the University for the term of his/her contract OR for at least two (2) years (whichever is lesser), he/she will be responsible for reimbursing the University based on the following schedule:

<ul style="list-style-type: none"> Employed less than six months (or less than one semester for employees on Academic pay basis) 	Return 100% of relocation incentive
<ul style="list-style-type: none"> Employed at least six months but less than one year (or at least one semester but less than one academic year for employees on Academic pay basis) 	Return 75% of relocation incentive
<ul style="list-style-type: none"> Employed at least one year but less than two years (or at least two semesters but less than two academic years for employees on Academic pay basis) 	Return 50% of relocation incentive

Repayments may be waived only in justifiable circumstances with the approval of the Vice Chancellor of Finance & Administrative Services or his/her designee.

Colleges/departments may have additional written guidelines for the use of relocation incentives within their respective offices.
